

LIMITED WARRANTY

Trueline Valve Corporation warrant their products to be free from latent defects in material or workmanship, provided the products are properly installed, properly handled, and not misused, and are used for that type of service for which they were designed and sold. Trueline Valve Corporation's obligation under this warranty is limited to the replacement or repair at Trueline Valve Corporation's discretion of any part which shall prove defective in materials or workmanship within a period of one year from the date of shipment from the factory, and does not include liability for consequential damages of any nature whatsoever. This warranty is in lieu of all other warranties either expressed or implied, and no person is authorized to assume for Trueline Valve Corporation, any other or additional liability in connection with the sale or installation of our products.

All warranty obligations of Trueline Valve Corporation pursuant hereto shall be null and void if the product or any of its parts is modified in any manner whatsoever without the prior written consent of Trueline Valve Corporation.
